Introductory Community Application

______________________________________________ (city or organization) applies for admittance as an Introductory Community to the Illinois Main Street program.

We agree to:

1. Send at least one representative to an Illinois Main Street training per year.
2. Complete and submit an annual report on the community’s downtown revitalization efforts.
3. Take time to learn about the Main Street Approach and Historic Preservation.

In exchange, Illinois Main Street will provide:

1. Invitation and notification of all basic workshops offered by the Illinois Main Street program, and the annual State Conference.
2. Make staff available for phone consultations and in the community (as resources permit).

We understand that it is not necessary to be an independent non-profit organization to be an Introductory Community, nor have a paid, professional program manager at this level, and consequently we do not meet the National Main Street Center’s Designation Criteria. Consequently, we are ineligible to use the words “Main Street” in our organization’s name or logo.
